Summary

Aspiring Backend Developer with a strong foundation in C++, Java, and Python. Experienced in developing server-side applications using Node.js, Express, MongoDB, and MySQL. Solved 150+ problems on LeetCode, showcasing solid problem-solving and logical thinking skills. Passionate about backend architecture, API development, and writing clean, efficient, and maintainable code while continuously expanding knowledge of modern frameworks and technologies.

Projects

Car Dealership Inventory System **2026**
Technologies: Node.js, Express.js, MongoDB, React, JWT

- Developed a full-stack car inventory system to manage vehicles, users, and dealership operations.
- Implemented RESTful APIs using Node.js and Express.js with MongoDB for vehicle and user data management.
- Added JWT-based authentication and role-based authorization for secure access to inventory and administrative features.

Learning Path Dashboard **2025**
Technologies: Node.js, Express.js, EJS, MongoDB

- Built a skill-tracking platform to help users monitor learning progress and complete courses.
- Developed backend APIs with Node.js and Express.js and stored user progress data in MongoDB.
- Designed dynamic EJS templates for an interactive UI showing real-time progress updates and structured learning paths.

Education

2023 – Present **Bachelor of Engineering (B.E.) in Computer Science and Engineering**
Chandigarh University, Mohali (CGPA: 8.32/10)

2021 **Intermediate (Class 12th)**
Mahatma Gandhi Inter College, Gorakhpur (CGPA: 7.79/10)

2019 **High School (Class 10th)**
Mahatma Gandhi Inter College, Gorakhpur (CGPA: 9.11/10)

Skills

Programming Languages	C++, Java, Python
Backend Technologies	Node.js, Express.js, RESTful APIs, Authentication
Databases	MongoDB, MySQL
Frontend Basics	HTML, CSS, JavaScript, React
Developer Tools	Git, GitHub, VS Code, Postman, npm

Certifications & Achievements

- **React & Database Certification** – Completed certification in React and database technologies.
- **Full-Stack Development Certification** – Learned Angular and Spring Boot.
- **Winner, Tekathon 2025** – Secured first place in Smart Education category at Chandigarh University.
